

A tale of everyday and bizarre  
**Motorhome Insurance Claims**

Claims made on Caravan Guard motorhome insurance policies over the last few years...

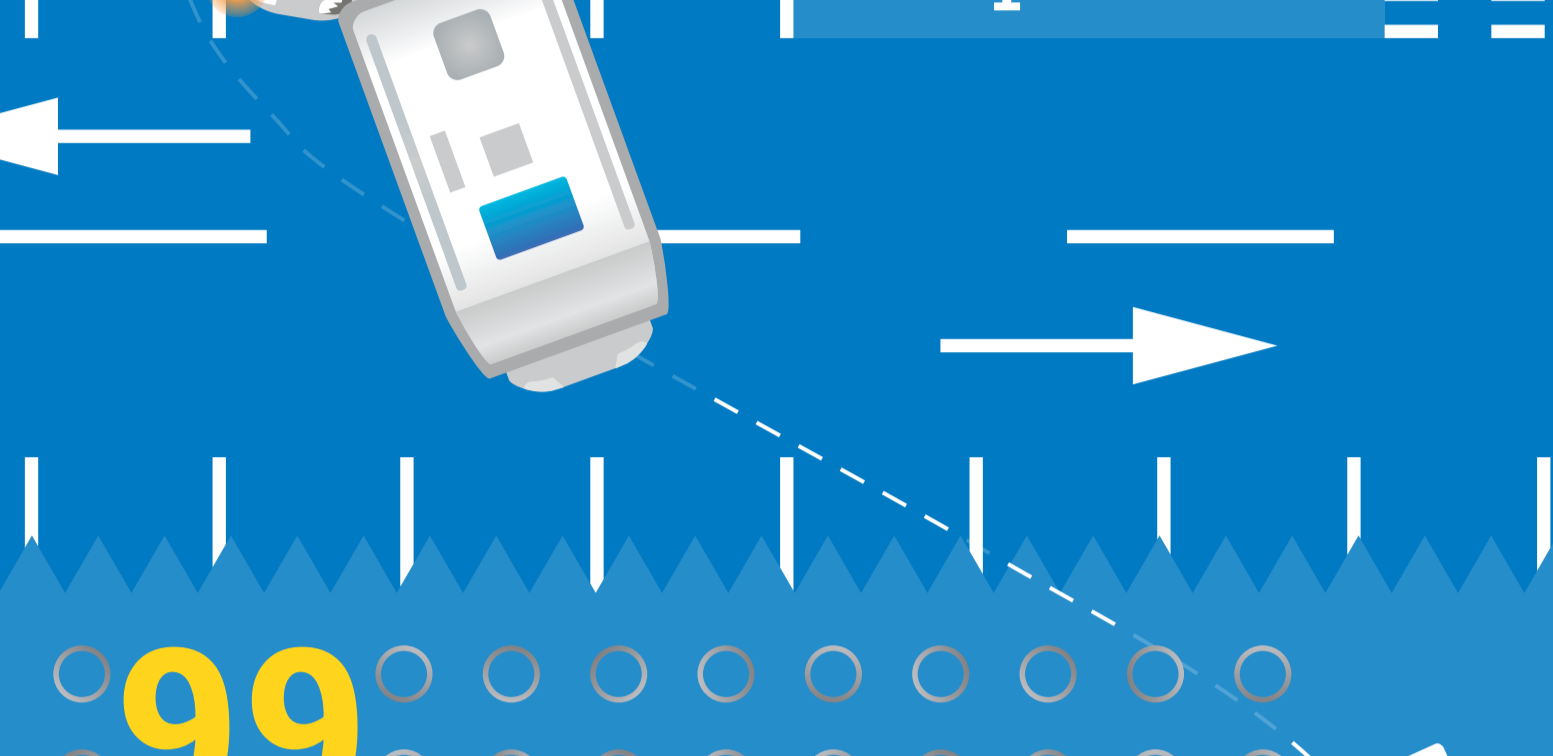

**£1,133,193**  
has been spent repairing windscreens

that's enough glass to construct the Louvre Pyramid more than **six** times

we've noted  
**144**  
accidents in car parks

**99**  
catalytic converters  
have been reported  
**stolen**

...containing enough platinum to produce 99 pretty expensive platinum wedding rings!

**£173,610**  
paid out in lost or stolen keys

which could buy three new Swift Bessacar E584s each fitted with air con, cruise control and a reversing camera!

**32**  
people had trouble with  
handbrakes

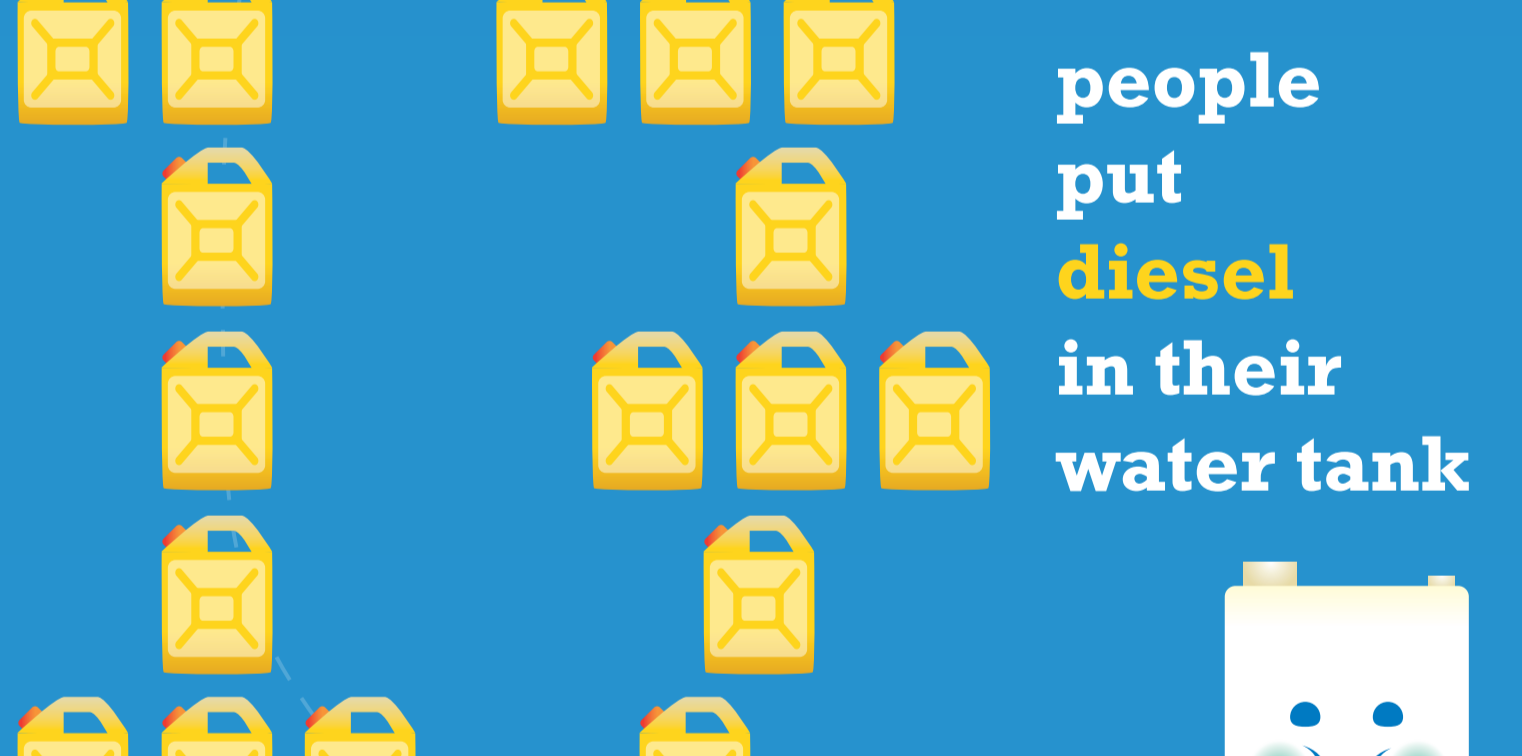

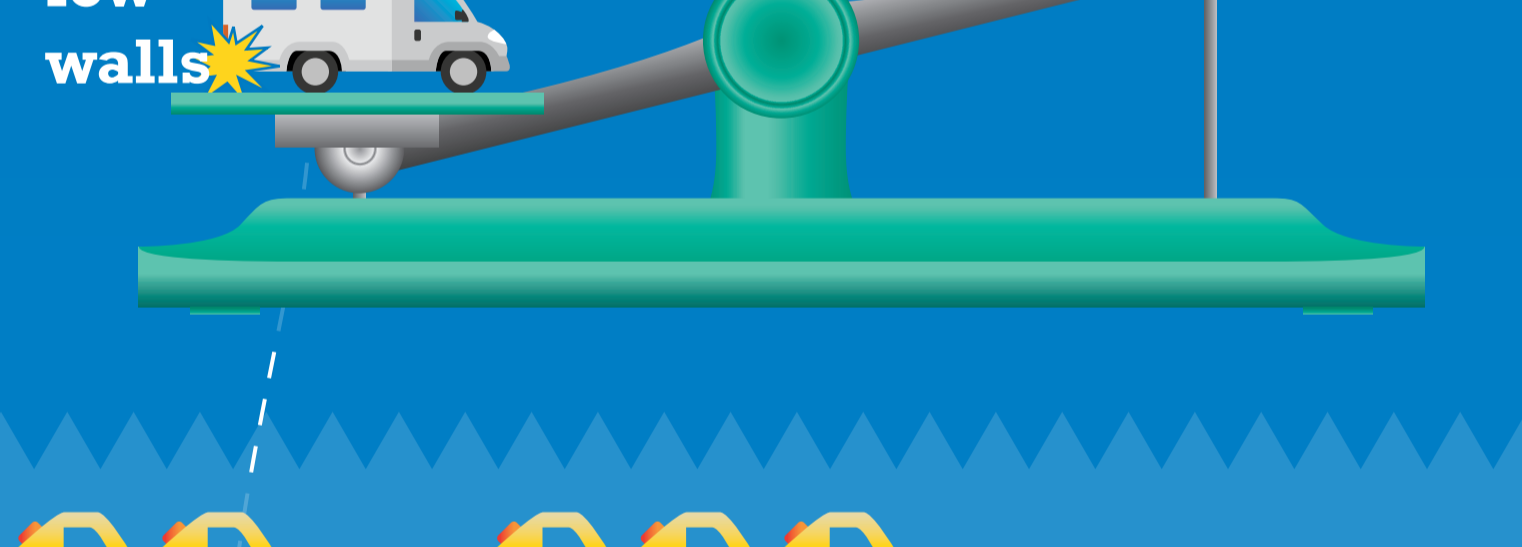

One incident left a motorhome teetering on the edge of a **harbour** (with the owner inside!)

**29**  
motorhomes ran into low walls

**22** collided with low bridges

people put **diesel** in their water tank

**12** claims involved potholes

It will take the same number of years to clear the entire England and Wales pothole backlog!

**10** explosions were reported

Be careful with cookers!

**6** motorhomers got into scrapes with the emergency services

and finally...

**1** motorhome was damaged by a helicopter

Phew!
