Introduction

Thank you for choosing to insure with Caravan Guard, we are pleased to welcome you as a valued customer and look forward to covering you over the forthcoming years. Caravan Guard aims to provide you with a high quality insurance policy, supported with a commitment to personal service and customer care.

This policy booklet, schedule, certificate of insurance and any endorsements applying represent the contract between you and the insurers so please make sure you read these items carefully and ensure that you are happy with them.

This policy booklet contains details of the cover that is available to you, what is excluded from cover and the conditions on which the policy is issued.

Your schedule forms part of your policy and provides details of the policy sections insured, the sums insured including any monetary limits and any special terms that apply. Please read your schedule in conjunction with this policy booklet. An updated schedule will be sent to you at each renewal and whenever you request a change in cover.

We will insure you under those sections specified as operative in the schedule during any period of insurance for which we have accepted the premium, provided that all the terms and conditions of the policy have been met.

This policy booklet and your schedule provides a number of telephone helplines should you need to make a claim, seek guidance, advice or emergency assistance. Please refer to page 2 or your schedule for full details.

If we can be of any further assistance to you please do not hesitate in contacting Caravan Guard, where a member of our friendly and knowledgeable team will be happy to assist you. Our opening hours are 8am - 8pm weekdays, and 9am - 4pm weekends.

Once again, thank you for choosing Caravan Guard.

This policy is a legal contract between you and the insurer of your policy as shown on your schedule. The information you gave Caravan Guard when you applied for the insurance, the policy wording, schedule and certificate of motor insurance are evidence of the contract and should be read as one document. We recommend that you keep them together at all times.

Our part of the contract is that we will provide the cover set out in this policy wording:

- For those sections which are shown on your schedule
- For the period of insurance detailed on the schedule

Your part of the contract is:

- You must pay the premium as shown on the schedule for each period of insurance
- You must comply with all policy conditions and familiarise yourself with any requirements set out in this policy
- You should take all steps to reduce damage and prevent further damage

If you do not comply with your part of the contract, we may turn down a claim, increase the premium or you may find that you do not have any cover.

Fraudulent application for insurance

We will not pay benefits or arrange help if:

- Any part of your application for this insurance; or
- Any further changes you ask for under this your policy are deliberately or negligently fraudulent

For example, this could include:

- Not telling us about motoring or criminal convictions
- Not telling us about previous accidents or losses, even if a claim was not made
- Not telling us about modifications to your motorhome
- Giving us false information about who is the registered keeper or owner of your motorhome
- Giving us false information about the main user of your motorhome

This is not a full list.

How we will settle a claim under this section

If the loss or damage is covered under **Your Policy**, **We** will settle **Your** claim as explained below.

1. Motorhome

We may choose to pay in cash the amount of the loss or damage or **We** may repair, reinstate or replace the lost or damaged property. The maximum **We** will pay is the sum insured shown in **Your Schedule** subject to any limits shown on **Your Schedule** or in this **Policy** wording. The sum insured will not be reduced in the event of a claim.

The settlement of **Your** claim will be calculated as follows:

If repair is carried out, **We** will pay the cost of repair without deduction for wear and tear. If parts or accessories are found to be obsolete or unobtainable, **We** may use parts and accessories which are not supplied by the manufacturer. Alternatively **We** may use parts of a similar type and quality to the parts **We** are replacing. If **We** are unable to repair, **We** may pay the last known list price for the part or accessory required plus an appropriate fitting charge.

If there is a manufacturer's corrosion warranty applying to **Your Motorhome**, any parts **We** use will, as far as possible, comply with the warranty.

We will pay for removal of any debris, which will then belong to **Us**.

If the repair or replacement is not carried out, **We** will pay the decrease in **Market Value** of **Your Motorhome**, but not more than it would have cost **Us** to repair the **Damage** if the repair work had been carried out. **We** will make a cash settlement but **We** will not pay more than it would have cost **Us** to repair the **Damage** to **Your Motorhome** if the repair work had been carried out without delay. No allowance will be made for VAT when a cash settlement is made.

If **We** know that the **Motorhome** is subject to a loan, credit agreement or any other form of financial loan or interest charge, **We** will pay the owner whose receipt shall be a full discharge.

If **Your Motorhome** is:

- Stolen and unrecovered; or
- Damaged and an approved engineer confirms the **Motorhome** is damaged beyond economical repair

The maximum amounts **We** will cover are:

- The **Market Value** or the sum insured as noted on **Your Schedule** whichever is the lesser

- It is within 2 years of **You** buying it new; and
- It has a recorded mileage of less than 24,000 miles

If **Your Motorhome** is not replaced **We** will pay a cash settlement based upon the **Market Value** or sum insured as noted on **Your Schedule** whichever is the lesser.

If **Your Equipment** is lost or damaged **We** will:

- Pay for the damage to be repaired (if repairs can be made for a reasonable cost); or
- If repairs cannot be made for a reasonable cost, or if the item is stolen, or lost and never found, **We** will arrange replacement with property of similar quality and value

- Make a cash settlement based on the **Market Value** provided that the amount of money does not exceed the repair or replacement cost.

The maximum amount **We** will pay for any one item and in total is stated on **Your Schedule**.

3. Personal possessions

If **Your Personal Possessions** are lost or damaged **We** will:

- Pay for the damage to be repaired (if repairs can be made for a reasonable cost); or

The maximum amount **We** will pay for any one item and in total is stated on **Your Schedule**.

5. Replacement child seats

Cover is included up to the monetary limit stated on **Your Schedule** towards the cost of replacement child seats following loss of or damage to **Your Motorhome**, even if they do not appear to be damaged themselves.

- Taking **Your Motorhome** to the nearest suitable repairer if it cannot be driven; and

What is covered

which may lead to a claim under this section

Emergency treatment

We will pay for emergency treatment fees as required by the road traffic laws.

What is not covered

1. Loss of or damage to **Your Motorhome** or any other property which is owned by or in the care of anyone making a claim under this section.
2. Legal liability for death of or physical injury to anyone as a result of their job, except as required under road traffic laws.
3. Legal liability in connection with any vehicle which belongs to or is hired to the employer or business partner of **You** or **Your Partner** if there is any other insurance policy covering the same liability.
4. The legal liability of anyone who is not driving but who is claiming cover if they know that the **Driver** does not have a valid licence to drive **Your Motorhome**.

What is not covered

5. The legal liability of anyone, other than **You**, if they are entitled to cover under any other insurance policy.
6. Legal liability, except as required under road traffic laws, as a result of using a vehicle on any part of an airport or airfield provided for aircraft movement, parking or maintenance.
7. Legal liability for any consequence of **Terrorism** unless **We** have to meet the requirements of any road traffic legislation.
8. Legal liability, except as required under road traffic laws, as a result of using a trailer or A-frame that does not have the relevant braking system fitted and working that complies with the laws of the country in which **Your Motorhome** is being driven.

Cover abroad

We provide the minimum cover required by law to give **You** limited liability cover for third party personal injury and property damage allowing **You** to **Use Your Motorhome** in any of the following countries:

- Any country that is a member of the European Union
- Any other country which agrees to meet European Commission Directives on Motor Insurance; and satisfies the European Commission that it has made arrangements to meet the requirements of these Directives

All the countries above have agreed that a Green Card is not necessary for travelling between them.

Your Certificate of Motor Insurance should provide sufficient evidence that **You** are complying with the laws on compulsory insurance of motor vehicles in these countries.

However **We** can still provide a Green Card if **You** wish, subject to an administration charge.

If **You** visit any of these countries it is recommended **You** take with **You**:

- **Your Certificate of Motor Insurance**
- A European Accident Statement
- This **Policy** booklet
- **Your Schedule**

If **You** are travelling in France it is also important to take **Your** Vehicle Registration Document, as the authorities may ask to see this if **You** have an accident.

Please note that 'European travel' and 'European breakdown assistance' are **Endorsements** and only apply if confirmed as being in force on **Your Schedule**.

What is covered

If **You** or **Your Partner** are accidentally injured in an accident involving **Your Motorhome** **We** will pay up to the amount shown on **Your Schedule** directly to the injured person, or to their legal representative.

The injury must be directly connected with **Your Motorhome** and the only cause within 3 months of:

- Death
- Permanent loss of sight in one or both eyes
- Loss of one or more limbs at or above the wrist or ankle; or
- Permanent loss of use of one or more limbs

You and **Your Partner** must keep to the law relating to seatbelts.

We will only pay one benefit for death or injury to any person for any one incident. If **You** or **Your Partner** hold any other motor policy with **Us**, **We** will pay under one policy only.

What is not covered

1. Death or injury caused by suicide or attempted suicide.
2. If anyone claiming is convicted in connection with the accident of a drink-driving offence or of driving under the influence of drugs.
3. If anyone **You** are claiming for was driving at the time of the accident, and is then found to have a higher level of alcohol or drugs in the blood than is allowed by law.

Section 4 - Medical expenses

What is covered

If the **Driver** or any passengers are injured in an accident involving **Your Motorhome**, **We** will pay up to the amount shown on **Your Schedule** towards each person's incurred medical expenses.

Section 5 - No claim discount

You earn **No Claim Discount** for each year of cover during which **You** do not claim. The discount increases each year up to the maximum shown on **Your Schedule**.

Any claims, if **You** are 'at fault' (or **We** cannot recover full losses from another person's insurer) will reduce **Your No Claim Discount** in line with the scale shown on **Your Schedule**.

Your No Claim Discount is not affected by claims for:

- **Your Motorhome's Windscreen And Body Glass**, or for bodywork damaged by the breakage, where the total amount claimed is less than the amount shown on **Your Schedule**
- Emergency treatment fees as required by the road traffic laws
- Breakdown
- Motor legal expenses
- Which **We** are able to recover the full cost from a third party

If a claim is reported after **Your** renewal date with an incident date in the prior **Period of Insurance**, **Your No Claim Discount** will be affected accordingly and an additional premium may be charged.

You cannot transfer **Your No Claim Discount** to anyone else.

Uninsured drivers

If **You** make a claim for an incident that is not **Your** fault and the driver of the vehicle that hits **You** is uninsured, **You** will not lose **Your No Claim Discount** or pay **Your Excess**.

What is required from **You** to ensure that **Your No Claim Discount** and **Excess** are unaffected:

- The vehicle registration number along with the make and model of the vehicle
- The driver's details (where possible)
- Any independent witnesses

When **You** claim, **You** may have to pay **Your Excess**.

Also if the claim investigations are on going when **Your Policy** renewal is due, **Your No Claim Discount** may be temporarily affected. Once **We** confirm that the incident was the fault of the uninsured driver, **We** will repay **Your Excess**, restore **Your No Claim Discount** and refund any extra premium **You** may have paid.

These conditions apply to the whole **Policy**. **You** will need to keep to them as part of **Your** contract. If **You** do not, a claim may be rejected or payment could be reduced. In some circumstances **Your Policy** might be invalid.

1. Provision of false information

If **You** have knowingly provided **Us** with false information which has affected **Our** assessment of any of the following:

- a) **Your** eligibility for this insurance **Policy**
- b) The terms and conditions applying to **Your Policy**
- c) **Your** insurance premium

Your Policy may be deemed to be invalid from the date **You** provided **Us** with such information and all benefits under this **Policy** may be forfeited.

In these circumstances, policy condition 17 - 'Our right to reclaim payments' will apply and **You** may be required to repay to **Us** any payment that **We** have been obliged to pay on **Your** behalf.

2. Changes in your circumstances

Your Policy has been issued based on the information that **You** have given to **Us** about **You** and **Your Motorhome**.

You must tell **Us** immediately:

- If **You** change **Your Motorhome**
- If there is a change in use of **Your Motorhome** (for example, **You** require business use)
- If **You** need to add a **Driver**

This information is required for **Your Certificate of Motor Insurance**. **We** must be advised of the above changes to ensure accurate documents are issued enabling **You** to legally drive **Your Motorhome**.

You must tell **Us** within 7 days (or the current **Policy** expiry date whichever is soonest) if any other circumstances change, for example:

- If **You** or any other **Driver** has been convicted of any motoring offence including fixed penalty offences, or has any prosecutions outstanding
- If **You** or any other **Driver** has been involved in any accidents, losses or thefts, regardless of whether a claim was made
- If **You** or any other **Driver** has been convicted of an offence of fraud or dishonesty (e.g. shop lifting, credit card fraud, tax evasion) or have possible prosecutions outstanding. Convictions considered to be spent under the Rehabilitation of Offenders Act 1974 do not need to be disclosed.
- If **You** or any other **Driver** develops a notifiable health condition or an existing condition worsens.

A notifiable health condition is one which must be referred to the DVLA (please refer to the DVLA D100 leaflet or www.gov.uk/browse/driving for a full list of notifiable conditions). Examples of notifiable conditions are epilepsy or insulin controlled diabetes.

- If the main **Driver** of **Your Motorhome** changes
- If the registered keeper or owner of **Your Motorhome** changes
- If any modifications are made to **Your Motorhome**
- If the security on **Your Motorhome** changes
- If **You** change the place where **You** normally store **Your Motorhome** when **Not in Use**
- If **You** put **Your Motorhome** up for sale and as a consequence **Your Motorhome** is kept at a different address pending its sale
- If **You** move house

This is not a full list. **Your Schedule** contains all of the information **We** need to determine **Your** eligibility for this **Policy** and how much **Your** premium should be. **You** must contact Caravan Guard if anything on **Your Schedule** changes.

We may re-assess **Your** cover and premium as a result of any important information **You** give **Us**.

If **You** do not tell **Us** anything which is relevant:

- **Your Policy** may not be valid; and
- **We** may reject **Your** claim; and
- **We** may cancel **Your Policy**

Please note **You** do not need to inform **Us** if **Your Motorhome** is temporarily at a dealers or a garage for service or repair.

3. Taking care of your property

Your Policy does not cover **You** for the cost of gradual deterioration. It is not a maintenance contract. **You** must take all responsible steps to safeguard **Your Motorhome, Equipment** and **Personal Possessions** against loss or damage. The property must be maintained in a sound and roadworthy condition and all precautions taken to prevent and minimise any claims.

Between the 1st November and 15th March, **We** will not pay for loss or damage caused by water freezing in any fixed water or heating installation or loss or damage caused by water, steam or other liquid escaping from a fixed household appliance, fixed water or heating installation unless **You** drain down all **Your Motorhome's** water systems and internal sanitary systems when the **Motorhome** is **Not in Use**.

4. Security and storage

If **Your Motorhome** is protected by an alarm, immobiliser or 24 hour **Tracking Device** agreed by **Us** and **We** have only agreed to cover **Your Motorhome** subject to this device being activated then an **Endorsement** will be displayed on **Your Schedule** which confirms this.

When **Your Motorhome** is **Not In Use**, the **Storage Location** address where the **Motorhome** is stored and the security at the **Storage Location**, must be notified to and agreed by Caravan Guard. The **Storage Location** and security at the **Storage Location** are shown on **Your Schedule**.

In the event of a change of **Storage Location** address or change in security at the **Storage Location**, it is a condition of cover that the new address and security in place is agreed by Caravan Guard to ensure cover remains in force.

Your Motorhome can be left unattended for up to 72 hours at a recognised caravan park without notifying Caravan Guard. All security devices as shown on **Your Schedule** must be fitted and in use. If **Your Policy** states that **Your** home address is not the **Motorhome's** permanent **Storage Location**, it is acceptable for the **Motorhome** to be stored at

home for 2 nights to allow for emptying/loading/cleaning/servicing purposes. If **You** require cover for more than 2 nights temporary storage at **Your** home address, please contact Caravan Guard.

5. Adequacy of sum insured

It is **Your** responsibility to ensure that the sum insured shown in **Your Schedule** is adequate.

6. Licence checking

It is **Your** responsibility to ensure that **You** have the correct licence to drive the size of the **Motorhome** insured under this **Policy**.

You must check the driving licence and/or counterpart of every **Driver** who will drive **Your** vehicle and **You** must inform **Us** of:

- Any convictions, fixed penalties or endorsements noted on the licence
- Any provisional licence; and
- Any licence issued outside the UK

7. Ownership

Your Motorhome, Equipment and **Personal Possessions** must be owned by **You** or **You** are buying it under a hire purchase agreement or **You** are legally responsible for it.

8. Transferring interest in the policy

You cannot transfer **Your** interest in the **Policy** unless **You** obtain **Our** written permission.

9. Cancellation of your policy

You may cancel this **Policy** at any time. To do this, **You** can either:

- Send an email to cancel@caravanguard.co.uk confirming **Your Policy** number, **Your Motorhome** registration and the time and date cover is to cease
- Complete the web form declaration by visiting www.caravanguard.co.uk/motorhomecancel

If **You** cancel the **Policy** within 14 days of the date **You** receive **Your Policy** documents, **We** will refund the premium, provided no claim has been made during the current **Period of Insurance**.

If **You** cancel after the first 14 days, from receipt of the **Policy** documents, **We** will calculate the proportionate premium for the period **You** have been insured and refund any balance. Caravan Guard will deduct a cancellation administration charge (as stated in their Terms of Business Agreement) from the refund. If **Your** premium is paid under a monthly instalment scheme Caravan Guard will charge a cancellation administration charge (as stated in their Terms of Business Agreement).

Please note, any premium paid in the respect of Motor legal expenses insurance, UK roadside breakdown assistance and European breakdown assistance is non refundable in the event of cancellation after 14 days.

If a claim has been submitted or there has been any incident likely to give rise to a claim during the current **Period of Insurance** no premium refund will be given. If the premium is paid under a monthly instalment scheme, and a claim has been made, **You** must continue with the instalment payments until the renewal date. Alternatively **We** will deduct outstanding instalments from any claim payment that may be due to **You**.

Where we cancel your policy

Please also refer to the 'Fraudulent or exaggerated claims' condition on pages 29-30 and the 'Changes in your circumstances' condition on pages 25-26.

We may also cancel the **Policy** where **We** have identified serious grounds, such as:

- Failure to provide **Us** with information **We** have requested that is directly relevant to the cover provided under this **Policy** or any claim
- The use or threat of violence or aggressive behaviour against **Our** staff, contractors or property
- The use of foul or abusive language
- Nuisance or disruptive behaviour

We will contact **You** at **Your** last known address and where possible, seek an opportunity to resolve the matter with **You**. Where a solution cannot be agreed between us, **We** may cancel the **Policy** by giving **You** 14 days notice.

This will not affect **Your** right to make a claim for any event that happened before the cancellation date. If **We** cancel the **Policy**, **We** will refund premiums already paid for the remainder of the current **Period of Insurance**, provided no claim has been made during the current **Period of Insurance**.

We also reserve the right to terminate the **Policy** in the event that there is a default in the instalment payments due under any linked loan agreement, by giving **You** 14 days notice at **Your** last known address.

Please note, any premium paid in the respect of Legal expenses insurance, UK roadside breakdown assistance and European breakdown assistance is non refundable in the event of cancellation after 14 days.

10. Reporting a claim

You must tell **Us** immediately about any incident or legal proceedings which may lead to a claim.

If there has been a theft or attempted theft, **You** must also tell the police immediately. **We** may ask **You** to provide all the details in writing together with any evidence which **We** may need. If **You** receive a writ, summons or other legal documents or letters, **You** must send them to **Us** immediately. **You** must not answer any correspondence without **Our** permission. **We** will not refuse permission without a good reason.

11. Assessing your claim

You must give **Us** whatever help and information **We** ask for.

You must not admit or deny a claim or negotiate or promise to pay a claim without **Our** written permission. **We** will not refuse permission without a good reason.

12. Fraudulent or exaggerated claims

If **You**, or someone on **Your** behalf, knowingly:

- Makes a false claim
- Exaggerates the amount of claim
- Provides **Us** with false or misleading declarations or statements to support a claim; or
- Provides **Us** with any other false or invalid documents or relies on any fraudulent devices to support a claim

We may, at **Our** option, either

- Decline cover under the insurance **Policy** for the relevant claim; or
- Void this insurance **Policy** from its inception or from the date of the relevant claim.

13. Claims

In the event of a claim where **Your Motorhome** has been damaged beyond economic repair, if **You** have opted to pay **Your** premium on a monthly basis, **We** may ask for any remaining balance to be paid before the claim commences or is settled.

14. Effect of condition on right to benefit

In order to receive benefit under this insurance, **You** or any other person seeking benefit must observe the terms and conditions of this **Policy**.

15. Other insurances

If **You** claim under this **Policy** for something which is also covered by another insurance policy, **You** must provide **Us** with full details of the other insurance policy. **We** will only pay **Our** share of any claim, if applicable.

16. Taking over your rights

If **You** make a claim, **You** must be prepared to take any steps **We** ask **You** to take to protect **Your** rights. **You** must also be prepared to allow **Us** to act in **Your** name and take any steps **We** feel are necessary to protect **Your** rights. This may mean that **We** defend or settle the claim in **Your** name. If this happens, **We** will pay any costs involved.

17. Our right to reclaim payments

We may claim back from **You** any payment which **We** make under **Your Policy**:

- Because of the requirements of any law; and
- Which **We** would not have paid if that law had not existed

18. Financial sanctions

We will not provide any cover or be liable to provide any indemnity, payment or other benefit under this **Policy** where doing so would breach any prohibition or restriction imposed by law or regulation. If any such prohibition or restriction takes effect during the **Period of Insurance We** may cancel this **Policy** immediately by giving **You** written notice at **Your** last known address. If **We** cancel the **Policy We** will refund

premiums already paid for the remainder of the current **Period of Insurance**, provided no claims have been paid or are outstanding.

19. Cover for car sharing

Your Policy allows **You** or **Your Partner** to receive a mileage allowance from **You** or **Your Partner's** employer, or accept payment from passengers in **Your Motorhome** as part of a 'car-sharing agreement', as long as:

- **Your Motorhome** has not been built or adapted to carry more than 8 passengers and a driver
- **You** or **Your Partner** are not carrying passengers as part of a business of carrying passengers
- **You** or **Your Partner** do not make a profit from the total payments **You** or **Your Partner** receive for a journey
- **Your Motorhome** is being used for a purpose included on **Your Certificate of Motor Insurance**; and
- The total payments for any mileage allowance **You** or **Your Partner** receive are within the published guidelines of HM Revenue & Customs.

20. Authority to renew

If **We** are willing to continue providing cover and **We** advise **You** before the **Policy's** renewal date of **Our** renewal terms, **You** authorise **Us** to renew this **Policy** and any subsequent **Policy** on expiry, in accordance with **Our** renewal terms at that time, unless **You** advise **Us** otherwise before the renewal date. Please note that payment must be received for cover to be continuous. Please also refer to the 'Cancellation of your policy' condition on page 28.

21. Law applicable to this contract

Under the laws of the United Kingdom (England, Scotland, Wales and Northern Ireland) both **You** and **We** may choose the law which applies to this contract, to the extent permitted by those laws. Unless **You** and **We** agree otherwise, **We** have agreed with **You** that the law which applies to this contract is the law which applies to the part of the United Kingdom in which **You** live, or, if **You** live in the Channel Islands or the Isle of Man, the law of whichever of those 2 places in which **You** live.

We and **You** have agreed that any legal proceedings between **You** and **Us** in connection with this contract will only take place in the courts of the part of the

United Kingdom in which **You** live, or, if **You** live in either the Channel Islands or the Isle of Man, the courts of whichever of those 2 places in which **You** live.

- Access, review and use any information held by any **Advanced Driver Assistance System** in or on **Your Motorhome**
- Provide contact details for any third party controlling or managing such information
- **We** will not release **Your** driving information to the police or any civil authorities unless:
 - **We** have **Your** permission; or
 - **We** are required to do so by law; or
 - **We** suspect fraud or attempted fraud

Data will only be disclosed to **Our** agents and subcontractors for operational reasons, including providing the agreed services under **Your Policy**.

These exclusions apply to all the sections of **Your Policy**. This insurance does not cover:

1. Competitions, trials and track days

We will not cover any claim if **Your Motorhome** is used:

- On a prepared course

2. Date change and computer viruses

Any direct or indirect loss or damage caused:

- To **Equipment** by its failing correctly to recognise data representing a date in such a way that it does not work properly or at all

We do not cover any loss or damage to **Your Motorhome** as a result of a deliberate act caused by **You, Your Partner, Your Family** or anyone else insured under this **Policy**.

5. Driving other vehicles

Save to the extent required under the Road Traffic Act, **We** do not cover any loss, damage or liability arising from an incident where **You** or anyone insured under this **Policy** are driving any vehicle other than the one detailed on **Your Certificate of Motor Insurance** or any temporary cover note that **We** have issued.

6. **Driving under the influence of drink and drugs**

Save to the extent required under the Road Traffic Act, **We** do not cover any loss, damage or liability arising from an incident if, as a result of the incident, **You** or anyone insured under the **Policy** is convicted of driving whilst under the influence of alcohol or drugs. **We** reserve the right to recover from **You** any amounts which **We** pay before such conviction or which **We** are required to pay.

7. **Liability which results from an agreement**

We do not cover any liability which results only from an agreement **You** have made.

8. **Mechanical faults**

We do not cover any loss or damage to a mechanical part that breaks or fails and any resulting loss or damage caused to any other parts. However, subsequent loss or damage is covered.

9. **Pollution**

- **We** do not cover loss or damage or contamination, unless the pollution or contamination is the direct result of a single incident which happens during the **Period of**

Insurance. To qualify for cover, the incident must be sudden, identifiable, unintended and unexpected.

- All pollution caused by one incident will be considered to have happened at the time the incident took place.
- This exception does not apply if **We** must provide cover under road traffic laws.

10. **Public authorities**

Endorsements amend the cover provided by **Your Policy**. **Endorsements** only apply if they are listed in the “**Endorsements** applying” section of **Your Schedule**. If any person’s name appears in the **Schedule** in connection with an **Endorsement**, the **Endorsement** applies only to that person.

Endorsement 1 - Protected No Claim Discount

We will not reduce **Your No Claim Discount** unless more claims than the limit shown on **Your Schedule** happen over the period of time shown on **Your Schedule**. If more claims happen then **We** will reduce **Your No Claim Discount** in line with the scale shown on **Your Schedule** and **You** will no longer benefit from protected **No Claim Discount**.

This **Endorsement** does not protect the overall price of **Your** insurance **Policy**. The price of **Your** insurance **Policy** may increase following a claim even if **You** were not at fault.

Endorsement 2 - Security requirements

When **Your Motorhome** is unattended **We** will pay for the theft of **Your Motorhome** only if:

- The **Key(s)** are removed from the **Motorhome**; and
- **Your Motorhome** is protected by an alarm, immobiliser or 24 hour **Tracking Device** agreed by **Us**; and
- The alarm, immobiliser or **Tracking Device** is activated and is fully maintained in accordance with manufacturers’ recommendations.

The annual network subscription for the maintenance contract of any **Tracking Device** must have been renewed. The **Tracking Device** that is fitted must cover any country that **You** are travelling in.

IMPORTANT: FAILURE TO COMPLY WITH THESE SECURITY REQUIREMENTS MAY INVALIDATE YOUR POLICY AND ANY THEFT RELATED CLAIM.

These security requirements will not apply while the **Motorhome** is in the custody of a **Motorhome** dealer (whose main activity is the sale, servicing and repair of motorhomes) for service or repair.

Endorsement 3 - Emergency accommodation expenses

If **Your Motorhome** becomes uninhabitable whilst away on holiday as a result of loss or damage insured by this **Policy**, **We** will contribute up to the limit stated on **Your Schedule** towards the cost to hire a replacement **Motorhome** or other alternative accommodation to enable **You** to continue **Your** holiday.

In the event of a claim, receipts must be produced for motorhome hire/alternative accommodation used. Cover to hire a replacement motorhome or other alternative accommodation will not apply if **Your Motorhome** is uninhabitable and the repair or replacement cannot be completed before a future booked holiday.

Endorsement 4 - European travel

Please note that the cover described under this section is in respect of loss of or damage to **Your Motorhome**, **Equipment** and **Personal Possessions** only (see Section 1). 'European travel' is only in force if **You** have contacted **Us** to request this, paid the additional premium

and it is confirmed as being in force on **Your Schedule** as an **Endorsement**.

This **Endorsement** extends the cover already available under 'Section 2 - Liability to the public cover abroad' which details the minimum cover required by law which **We** provide in:

- Any country which is a member of the European Union
- Any other country which meets the motor insurance directives of, and is approved by, the European Commission

It does not extend to include 'European breakdown assistance'. 'European breakdown assistance' is only in force if it is confirmed as being in force on **Your Schedule** as an **Endorsement** and **You** have paid any additional premium.

Please refer to **Your Schedule** for the period of cover applicable in any one **Period of Insurance** whilst **Your Motorhome** is being driven or used outside the **British Islands** but within the **Territorial Limits**. Please note that the maximum time **You** can spend in any one country is 180 consecutive days.

All the countries within the **Territorial Limits** have agreed that a Green Card is not necessary for travelling

between them. **Your Certificate of Motor Insurance** should provide sufficient evidence that **You** are complying with the laws on compulsory insurance of motor vehicles in these countries.

However **We** can still provide a Green Card if **You** wish, subject to an administration charge.

We may, upon request, extend **Your Policy** cover for temporary trips to additional countries outside the **Territorial Limits**. **You** will have to pay an additional premium for this cover. **You** must tell **Us** at least 14 days before **You** visit any of these countries. **We** will then issue **You** with a Green Card.

It is recommended **You** take the following insurance documents with **You** when **You** travel abroad:

- **Your Certificate of Motor Insurance**
- The European Accident Statement
- This **Policy** booklet
- **Your Schedule**

In addition, check the requirements for using a vehicle in the countries **You** are visiting. These can be obtained from the Foreign and Commonwealth Office (www.fco.gov.uk). Please refer to 'How to make a claim' on pages 55-60 for further information and advice.

Cover for customs duty and delivery to your home

If **We** pay a claim under section 1 of **Your Policy** for loss of or damage to **Your Motorhome** (including **Equipment** and **Personal Possessions**) and **You** have been unable to return **Your Motorhome** to the address shown in **Your Schedule** because of the severity of the damage, **We** will also pay:

- Customs duty **You** have to pay because **You** have temporarily imported the **Motorhome**; and
- The cost of taking **Your Motorhome**, after repair, to **Your** address shown in **Your Schedule**; or
- The cost of taking **Your Motorhome**, after repair, to **Your** temporary address in the country where the incident occurred

Hotel accommodation

If it is not immediately possible for **You** to continue **Your** journey or return to **Your** address in the **British Islands**, **We** will pay the cost of 1 night's bed and breakfast accommodation for the **Driver** and passengers (up to the maximum number recommended by the **Motorhome** manufacturer) while waiting for **Your Motorhome** to be repaired. The maximum amount **We** will pay arising from any one incident is stated on **Your Schedule**.

How to obtain assistance abroad

Following loss or damage, which is covered under **Your Policy**, **We** will assist **You** subject to the terms set out in **Your Policy**. To obtain assistance, please phone the helpline on **Your Schedule**.

If **You** need to make a claim, what **You** need most of all is speedy, professional, practical help. This is exactly what **We** provide. Whatever the problem, big or small **We** are here to help **You**.

If an incident occurs, **You** should take any immediate action **You** think is necessary to protect **Your Motorhome, Equipment** and **Personal Possessions** from further damage. Please have **Your Policy** number handy when **You** call.

If **You** require emergency assistance following an accident or breakdown please call **01737 815 123** (or **+44 (0)1737 815 123** if **You** are calling from outside the UK). The services covered under 'UK roadside breakdown assistance' and 'European breakdown assistance' sections of the **Policy** are provided by AXA Assistance, which is fully owned by the AXA Group.

For all other claims (including if **You** require a repair or replacement to **Your Windscreen And Body Glass**) please call the claims helpline as shown on **Your Schedule**. While most claims can be agreed over the telephone, there may be times when **We** ask **You** to complete a claim form and provide **Us** with further information, and/or **We** may wish to arrange a visit and inspection.

To help **Us** deal with **Your** claim quickly, please read this **Policy** booklet carefully, particularly the 'Policy conditions' and 'Policy exclusions' on pages 25-35. Please also check the **Endorsements** applicable to **Your Policy**.

Claims conditions

These are the claims conditions **You** will need to keep to as **Your** part of the contract. If **You** do not, a claim may be rejected or payment could be reduced. In some circumstances **Your Policy** might be invalid.

If anything happens which might lead to a claim, what **You** must do depends on what has happened. The sooner **You** tell **Us** the better. In some cases, there are other people **You** must contact first. When an incident occurs which may result in a claim, **You** should read the information on 'How to make a claim'. **You** should also check the information at the end of Section 1 - 'How we will settle a claim under this section' on pages 17-19.

What you must do

If **You** are the victim of theft, riot, a malicious act or vandalism, or if **You, Your Family** or **Your Friends** lose something away from **Your Motorhome** tell the police immediately upon discovery and ask for a crime reference number and tell **Us** as soon as **You** can, or in the case of riot tell **Us** immediately.

If someone is holding **You** responsible for an injury or any loss or damage, no one must admit responsibility. Give **Us** full details in writing as soon as **You** can. Any application notice, legal document or other correspondence sent to **You** must be sent to **Us** straight away without being answered. For all other claims, tell **Us** within 14 days.

You should do all **We** reasonably ask **You** to do to get back any lost or stolen property. Do not throw away any damaged items before **We** have had a chance to see them, or carry out non-emergency repairs before **We** have had chance to inspect them.

Rights and responsibilities

We may need to get into a **Motorhome** that has been damaged to salvage anything **We** can and to make sure no more damage happens. **You** must help **Us** to do this but **You** must not abandon **Your** property to **Us**.

You must not settle, reject, negotiate or offer to pay any claim **You** have made or intend to make under this **Policy** without **Our** written permission. **We** have the right, if **We** choose, in **Your** name but at **Our** expense to:

- Take over the defence or settlement of any claim
- Start legal action to get compensation from anyone else

- Start legal action to get back from anyone else any payments that have already been made
- You** must provide **Us** at **Your** expense, with any information or assistance **We** may reasonably require about any claim. **You** must help **Us** to take any legal action against anyone or help **Us** defend any legal action if **We** ask **You** to.

When **You** call **Us**, at **Our** option **We** will:

- Ask **You** to get estimates for repairs or replacement items; or
- Arrange for the damage to be inspected by one of **Our** Claims Advisers or an independent loss adjuster or other expert – their aim is to help **Us** agree a fair settlement with **You**; or
- Arrange for the repair or a replacement as quickly as possible

Guidance when making a claim

Conditions that apply to the **Policy** and in the event of a claim are set out in **Your Policy** booklet. It is important that **You** comply with all **Policy** conditions and **You** should familiarise yourself with any requirements.

Directions for claim notification are included under the claims conditions. Please be aware that events that may

give rise to a claim under the insurance must be notified as soon as reasonably possible although there are some situations where immediate notice is required.

Claims conditions require **You** to provide **Us** with any assistance and evidence that **We** require concerning the cause and value of any claim.

Ideally, as part of the initial notification, **You** will provide:

- **Your** name, address and contact telephone numbers (and driver details if applicable)
- Personal details necessary to confirm **Your** identity
- **Policy** number as noted on **Your** current **Schedule**
- The date of the incident
- The cause of the loss or damage
- Details of the loss or damage together with claim value if known
- Police details where applicable
- Name, addresses and contact numbers of any other parties involved or responsible for the incident (including details of injuries) and contact details of any witnesses

This information will enable **Us** to make an initial evaluation on policy liability and claim value. **We** may, however, request additional information depending upon circumstance and value which may include the following:

- Original purchase receipts, invoices, instruction booklets or photographs
- Purchase dates and location of lost or damaged property
- For damaged property, confirmation from a suitably qualified expert that the item **You** are claiming for is beyond repair
- Estimates for repair or replacement of damaged items

Please send all documents by either recorded delivery or registered post and ensure that **Your** claim reference number is on all correspondence.

Sometimes **We**, or someone acting on **Our** behalf, may wish to meet with **You** to discuss circumstances of the claim, to inspect damage, or to undertake further investigations.

We take pride in the claims service **We** offer to **Our** customers. **Our** philosophy is, where possible, to repair or replace lost or damaged property and **We** have developed a network of contractors, repairers and product suppliers dedicated to providing claim solutions. Where **We** can **We** offer repair or replacement through **Our** supplier network. Where this is not possible **We** will agree for **You** to use **Your** own repairer or supplier or to

pay **You** a cash settlement. If a cash settlement is paid, the payment amount will not exceed the amount **We** would have paid **Our** supplier.

Please note that unfortunately there are sometimes delays in repairers obtaining parts, which can cause repairs to be delayed. Please contact **Your** repairer to establish the length of time they require for a full repair.

We may need to gain access to **Your Motorhome** to assess any damage. It is **Your** responsibility to ensure **We** can access **Your Motorhome** to enable **Us** to do this.

Who you need to know

Different companies may need to be involved if **You** have to make a claim, in order to provide general support and assistance, process **Your** claim and assess any damage to ensure the claim is handled as quickly and fairly as possible. This section details the most common companies that may be involved.

- **Insurer**

The insurer shown on **Your Schedule** is the underwriter of the **Policy You** bought from Caravan Guard. They should be **Your** first point of contact when making a claim. The insurer will handle **Your** claim and agree any settlement.

- **Caravan Guard**

Caravan Guard is the company with whom **You** took out **Your Policy**. Caravan Guard can provide help and guidance on any aspect of **Your Policy**. If **You** have any queries or are unsure about anything please contact the Caravan Guard team.

- **Loss adjuster**

An independent loss adjuster with an expert understanding of claims may be appointed to visit **Your Motorhome** and assess any **Damage**, to ensure **You** receive a fair settlement.

- In some instances, **You** may also be introduced to a reputable repairer.

If you have an accident abroad

If **You** have an accident abroad, follow the procedure below.

1. Immediately report the accident to the police if anybody involved in the incident is injured or if there is a disagreement with the other driver. Get details of the police team that attended the scene or who the accident was reported to.
2. Give **Your** name and address, and **Our** name and address to the other party and produce **Your Certificate of Motor Insurance**.

3. Get the name and address of the other driver, details of their motor insurer (including **Policy** number) and information about the registration and ownership of the other vehicles involved.
4. Call **Our** claims helpline as soon as possible, particularly if anybody is injured.
5. Never make any statement or sign any document (other than the European accident statement) without the advice of a lawyer or competent official. Do not sign the European accident statement, particularly if written in a foreign language, before **You** are certain that **You** understand and agree with every word.
6. If **You** have a camera, take photographs showing the layout of the scene and positions of the vehicles from various angles.
7. Use **Your** European Accident Statement (the various linguistic editions of this form are identical throughout Europe) and be sure to get the following details:
 - The make, registration number and colour of the other vehicle and whether it is right or left-hand drive. If the Third party vehicle is a lorry obtain the number of both the cab and trailer units. In some countries these have different registration numbers.
 - The full names, addresses and occupations of independent witnesses
 - The date, time and exact place of the accident
 - The speeds of **Your** own and the other vehicle
 - Signals given by **You** and the other driver
 - Weather and road conditions
 - Names and addresses of people injured and details of those injuries
 - Details of damage to **Your** own and other vehicles
 - If **You** do not have a European Accident Statement, collect the following information:
 - a) Date, time and place of the accident
 - b) Other vehicle's details
 - c) Registration number
 - d) Country of registration
 - e) **Policy** number of the insurance
 - f) Green card number
 - g) Name and address of the insurer
 - h) Surname, first name and address of the driver
 - i) Accident circumstances including details of damage to vehicles and injuries to any people involved
 - j) Sketch the scene and the position of the vehicles (include road markings where possible)

If you have uninsured losses

Even if a claim is covered under **Your Policy**, **You** could still be out of pocket for expenses such as:

- The cost of a replacement motorhome; and
- Loss of earnings

Please refer to the separate legal expenses insurance policy booklet and **Your Schedule** for details of how to make a claim under this **Endorsement**.

If **You** would like to discuss any aspect of the claims process, please contact the Caravan Guard Claims Liaison team on 01422 396 815 or by email to claims@caravanguard.co.uk.

Annual servicing

In addition to the MOT test required by law (which confirms that at the time of test, your motorhome has met the minimum acceptable environmental and road safety standards) we also recommend that you service your motorhome on an annual basis.

Buying a second hand motorhome

We recommend you organise a HPI check where possible for any potential second hand purchase, especially if not buying from a recognised dealer.

Drain down

It is extremely important that the water system is fully drained down during the winter period and whilst unoccupied to prevent frost damage.

Fire

We recommend that you keep a fire blanket, smoke alarms and fire extinguishers in your motorhome.

General advice

- To protect against condensation out of season, leave interior doors and wardrobe doors open. Also stack upholstery in the middle of the lounge area.
- Ensure vents are never obstructed – this is vital where gas is involved

- When out of season and/or unoccupied consider the damage which small mammals/vermin could cause

Organising your trips

- Research suggests that up to 350 people are killed each year in sleep related accidents. We suggest that you plan your journey to include a 15 minute break for every 2 hours of driving. Don't start your journey tired. Be aware of the risks if you have to get up unusually early to start your trip, or have a long drive home. If you start to feel sleepy find a safe place to stop – not the hard shoulder of a motorway.
- Before you set off on a trip, ensure that the water, oil and tyre pressure has been topped up and you have a spare wheel or puncture repair kit
- Take photographs if your motorhome is damaged, especially whilst travelling abroad as some European insurance companies will not deal with a claim unless there is photographic evidence

Taxing online

Please contact Caravan Guard if you have just taken a new or renewed an existing policy with us and are experiencing problems taxing online or by phone.

An insurance provider must submit insurance records to the Motor Insurance Database (MID) within 7 days of the policy

commencement date. When applying for tax online or via telephone the DVLA's system will check against the MID to ensure insurance cover is in place for when the period of tax is due to commence.

It will usually take at least 2 full working days before your new policy shows on the MID and it should certainly appear within 7 days.

If your current motorhome insurance policy expires before your vehicle tax is due for renewal, the DVLA system will not be able to see a valid insurance policy is in force for the new tax period as the DVLA Electronic Vehicle Licensing (EVL) system can only see one active insurance policy on a particular vehicle at a time. Therefore a tax renewal cannot occur electronically (i.e. via the DVLA's phone or online service). This will apply even if you have already renewed your insurance policy for the next period of insurance.

Only after your existing insurance policy has expired and a new insurance policy has commenced will the DVLA EVL system be able to see that valid cover is in place for when the new tax period begins and allow tax renewal electronically. Should you wish to tax your vehicle before, you may need to take your new certificate of motor insurance, along with your tax renewal reminder

(V11 form) and valid MOT vehicle test certificate (if applicable), plus a valid exemption Certificate (if applying for disabled vehicle tax), to the Post Office and purchase vehicle tax over the counter.

Theft

Always close and lock exterior doors and windows when you leave your motorhome – even if it's just for a short time. Thieves do not need long to go through your property.

Don't leave high risk items in your motorhome as they could attract thieves. Don't leave personal documents in the motorhome. This can assist thieves in selling your motorhome.

Fit an alarm or tracking system. We recommend that you speak to your dealer for further advice. Fitting a steering lock will also add an extra deterrent.

If you are keeping your motorhome at home, consider fitting a post or gate, or even chaining your motorhome down.

Out of season, or if unoccupied for long periods, take electrical goods and portable equipment out of the motorhome. Leave curtains and cupboards open, so it is obvious to thieves that there is nothing worth breaking in for.

Water ingress

Sensible precautions should be taken as follows:

- Regularly inspect the seams and seals where panels join and talk with your dealer if you encounter any problems which could cause water ingress
- Keep the exterior panelling clean and check the general condition of your motorhome regularly
