

Renewal guide

for your motorhome insurance

Don't pay too much!

Have you called us to get your best price? There are many ways that you can reduce your insurance premium, even after we've sent you your renewal quote. Here are our top five ideas...

1 How far will you go this year?

Fewer miles could mean a lower premium

- up to 3,000 miles
- up to 5,000 miles
- up to 7,000 miles
- up to 9,000 miles
- up to 11,000 miles
- over 11,000 miles

You can check this on your policy schedule. Please make sure your selected mileage is sufficient.

2

Are you willing to increase your excess?
